The event was announced one year ago ( as it's a regular annual feature ) and a couple of months prior the event, climbing training and practice sessions were announced. A good number of climbers from KPK, Punjab and CTI were registered from various institutions and clubs, while few individuals also participated in various age categories i.e. Under 12, Under 15, Under 18 and open.

On Sunday, 8<sup>th</sup>. March 2020, all the arrangements were complete with registration of the climbers, while the weather turned to be rainy and wet. We fixed a tarpaulin shade cover over the climbing pitch and arranged canopy / tents for the participants to stay inside, in case of rain. In apparently un-favoring conditions, the competitions started however the participants showed their utmost interest and some nail biting competitions were observed. The competitions were based on speed climbing, top roped category.

We thank our partners and guests to hold this event however our extreme gratitude would be extended to the participants, their parents, the team heads and the institutions & clubs, who actually made this possible to organize a splendid event.

After the climbing competitions, the awards distribution ceremony held at the venue. On the eve of International Women's Day, Dr. Aleeza Sana, a brilliant climber and former Under 19 National Climbing Champion ( Gold Medalist ) was invited to distribute awards alongwith Dr. Shahreen Zahid, a great adventure / outdoors enthusiast and a great support to the Female's chapter of the Club. Mr. Murtaza Ahmed Khan, CEO of the Panoramic Cricket Club and Mr. Tariq Rashid, CEO of Tahtan ( Pvt ) Limited were also our guests of honour and we are extremely grateful for their support to make the climbing event successful.
